JAMESTOWN NEW YORK

CABINET HARDWARE DISPLAY PROGRAM

CABINET HARDWARE DISPLAY PROGRAM

BEAD

ITEM # WSDB0004

Elegant beading on traditional hardware captures the light and adds exquisite detail to your décor.

HUDSON

ITEM # WSDB0002

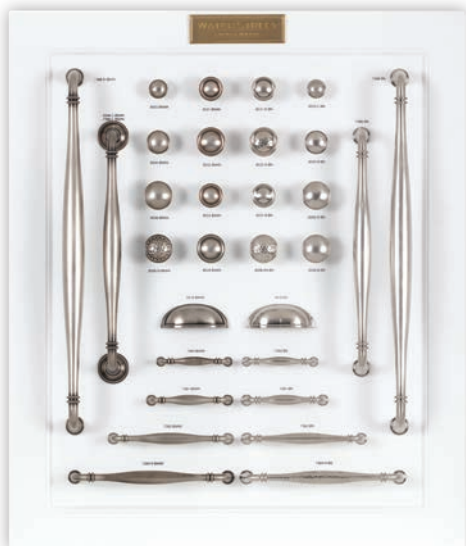

This collection features clean lines and sleek designs that complement any contemporary or transitional décor.

JAMESTOWN

ITEM # WSDB0001

This exquisite collection couples simplicity of line with classic styling to elevate any traditional design.

PORT ROYAL

ITEM # WSDB0007

A softer line with beautiful detailing and knurling options, Port Royal will stand out anywhere it goes.

TAB PULLS NEW

ITEM # WSDB0057

Surface and top mount styles along with knurling and hammered options make this contemporary Tab Pull collection versatile and perfect for so many applications.

TERRACE

ITEM # WSDB0006

This distinctive contemporary design features cascading tiers coupled with strong geometric elements.

LARGE BOARD: 24" X 28"

LEXINGTON
ITEM # WSDB0005

This collection's sleek transitional design can be classic or contemporary with a comfortable ergonomic feel.

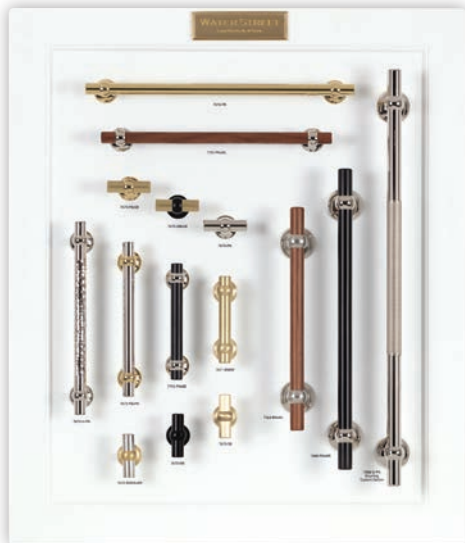

MADISON
ITEM # WSDB0010

A clean, transitional collection with a delicate flair that will elevate any style of cabinetry.

MANOR
ITEM # WSDB0008

This collection features bold geometric design elements and clean lines, perfect for more industrial or contemporary interiors.

URBAN LOFT NEW
ITEM # WSDB0058

Industrial and edgy, but streamlined and classic. This collection looks great in solid or split finishes and offers a walnut combination as a standard.

FINISHES
ITEM # WSDB0009

Our solid brass hardware is available in 34 standard finishes as well as a selection of PVD finishes.

KINSLEY NEW
ITEM # WSDB0071

A clean-lined modern pull with coordinating hourglass and square knobs, Kinsley will complement other pulls and knobs or shine bright all on its own.
